### (1) TERMS OF BUSINESS.

**Our terms are :—** CASH WITH ORDER,  
CASH AGAINST PRO-FORMA INVOICE, OR  
APPROVED LEDGER ACCOUNT.

Customers who wish to avoid delay can open deposit accounts and the usual deposit is £5.

Orders from abroad should be accompanied by a remittance to cover the costs of goods and postal charges.

We do not send goods by "CASH ON DELIVERY" (C.O.D.).

### (2) PRICES AND SPECIFICATIONS.

All prices, specifications and conditions are subject to alteration without notice. The prices of spares do not include the costs of packing and carriage.

### (3) CARRIAGE AND PACKING.

All Invoices for spare parts will be SURCHARGED by 2½ PER CENT. to cover the cost of packing and postage, or carriage, and the minimum surcharge is sixpence. (Home orders only.)

A special packing case, or crate, is required for some spares to ensure freedom from damage in transit. In such circumstances a special charge for the value of the case, or crate, will be made in addition to the 2½ per cent. surcharge but the special charge will be credited in full if the container is promptly returned to our factory carriage paid and in good condition.

### (4) HOW TO ORDER SPARES.

**STATE :—** (a) The Model of the machine.  
(b) The complete engine number. (See paragraph 5.)  
(c) The frame number. (See paragraph 5.)  
(d) The part numbers of the spares required.  
(e) A description of each spare.  
(f) The quantity required of each item.  
(g) How the spares are to be sent. (Post, Parcels Post, Passenger train or Goods train.)  
(h) Your full name and address. These particulars are best written in BLOCK LETTERS.  
(i) Mention if, or not, you have an account with us.

**ALSO :—** Unless you have a deposit or ordinary account, enclose a remittance to cover the cost of the spares plus the 2½ per cent. surcharge. (See paragraph 3.)

When cash is sent any excess will be refunded without prior application.

**NOTE :—** When sending orders by telegram or cable do not omit your name and address from the message.

### (5) IDENTITY.

To ensure the supply of correct spares it is essential we can identify the machine for which they are required. The ONLY WAY to do that is for us to know the COMPLETE ENGINE and frame numbers.

The engine number is stamped on the crankcase, IN FRONT OF THE LEFT CYLINDER, and may have one or more letters incorporated in it. THE COMPLETE NUMBER MUST BE QUOTED.

The frame number is stamped on the right-hand side of the frame lug that is below the saddle.

### (6) SERVICE.

The **SERVICE AND REPAIR DEPARTMENT** is situated in **BURRAGE GROVE, PLUMSTEAD, LONDON, S.E.18**, and is open on Mondays to Fridays from 8.30 a.m. to 12.55 p.m.—2 p.m. to 5.30 p.m. It is closed on Saturdays, Sundays and National Holidays.

It exists for the purpose of :—

- (a) Giving technical assistance verbally or through the Post.
- (b) Supplying spare parts over the counter or through the Post.
- (c) Repairing and re-conditioning machines, or parts of machines, of our make.

If it is considered necessary to bring a machine, or parts, to the factory for an urgent repair IT IS ESSENTIAL you make an appointment beforehand to avoid disappointment. This can be done by letter or telephone.

**(7) REPAIRS.**

The instructions regarding repairs should be clear and definite, otherwise the cost may be greater than that expected. We shall be pleased to give estimates for repairs if parts are sent to us for that purpose. If the estimate is accepted, no charge is made for the preliminary examination, but, should it be decided not to have the work carried out, it may be necessary to make a charge to cover the cost of whatever dismantling and re-assembly may have been done to prepare the estimate.

**(8) REPAIRS TO PROPRIETARY FITTINGS.**

We do not repair carburetters, chains, electrical equipment, saddles, sparking plugs, speedometers and tyres. On page 80 of the "**MAINTENANCE MANUAL AND INSTRUCTION BOOK**" will be found the names and addresses of the manufacturers of the proprietary equipment we fit, all of whom service and repair equipment they make.

**(9) PATTERNS.**

Parts sent to us as patterns, or for repair, should have attached to them a label bearing the sender's full name and address. The instructions regarding such parts should be sent under separate cover.

**(10) GUARANTEE.**

All parts made by us, and sold as spares, are subject to the same Limited Guarantee as that issued with each new motor cycle and that guarantee is printed in full on Page 85 of the "**MAINTENANCE MANUAL AND INSTRUCTION BOOK.**"

**(11) INSTRUCTION BOOK.**

A "**MAINTENANCE MANUAL AND INSTRUCTION BOOK**" (Edition CM-24) has been compiled and published by us.

One copy is supplied free, upon application, with each new motor cycle. Replacement copies are two shillings and sixpence each.

**(12) CORRESPONDENCE.**

Our routine is organised into different departments. Therefore delay cannot be avoided if matters relating to more than one department are contained in one letter.

Consequently when communicating with more than one department it is desirable to do so on **SEPARATE SHEETS**. Each sheet should bear the sender's name and address. **IN PARTICULAR**, requests for **TECHNICAL ADVICE** should not be on the same sheets as **ORDERS FOR SPARE PARTS**.

## SERVICE

The **Service and Repair Department** is situated in **Burrage Grove, Plumstead, London, S.E.18.** **Burrage Grove** is the first turning on the left from Burrage Road when entering Burrage Road from the Plumstead Road. (See final paragraph below.)

The nearest Railway Station is **WOOLWICH ARSENAL, SOUTHERN REGION RAILWAY.** This Station is five minutes' walk from our Service Depot in Burrage Grove. There is an excellent service of electric trains from Charing Cross, Waterloo, Cannon Street and London Bridge Stations, Southern Region Railway.

Bus routes 53, 54, 163, 99, 122, 122a, 177 and Trolleybus routes, 696 and 698, pass the end of Burrage Road (one minute from the Service Depot).

Bus routes 21a, 75 and 161 serve **Beresford Square** which is three minutes' walk from the **Service and Repair Department.**

Visitors from the North can pass into Woolwich via the Free Ferry between North Woolwich and Woolwich. North Woolwich is a British Railways terminus and is also served by Bus and Trolleybus routes 101, 569, 669 and 685. There is also a tunnel under the River Thames at this point for foot passengers. The Free Ferry accommodates all types of motor vehicles and there is a very frequent service. The Southern landing stage is less than a mile from the Service Depot.

Visitors arriving by road, if they are strangers to the locality, should enquire for **Beresford Square, Woolwich.** Upon arrival there, the road skirting the Royal Arsenal should be followed in an Easterly direction for about four hundred yards, and Burrage Road is the second turning on the right after leaving the square. Burrage Grove is then the first turning on the left.
